Spectacular Oceanfront on Cayman Brac
Gorgeous ocean front parcel on the ocean on the south side of Cayman Brac. Very attractive size and geometry for almost any type of development. This would make a fantastic home site or a multi-family development location. This very attractive land comprises both sides of the road approaching up to the Bluff's edge. With a total of 4.75 acres, this is a terrific parcel and a can't miss investment... Priced attractively with a genuine interest in selling. It won't last long
