

### East End, Cayman Islands

Superb Inland Acreage

Very nice sized acreage on the interior adjacent to Errol Watler's farm. Terrain is a mixture of soil and rock and some high and lower pockets across the property. This property enjoys a deeded 6 foot legal right of way to it but access has never been established on the ground itself. Attractive opportunity; part of it was cleared some years ago for farming fruit and vegetables, also with trees and natural growth forest. It could be suitable for farming or cattle or a nice inland estate site for your private home. Or hold for future capital appreciation. Located off the Queen's Highway inland from many high end homes on the sea in Block 61A. Priced with a genuine interest in selling.
