This beautiful new project is being built within Cap Cana's most upscale neighborhood. Units with pool, sea, and mountain views are available in this well built building. This development is an elite luxury residential community located in the center of Cap Cana, just a short walk from Juanillo Beach, The Marina Beach, and the superbly built golf courses. This is the place to be if you're wanting to invest, vacation, or reside in Cap Cana. A lobby concierge greets residents as they enter. Top-of-the-line finishes may be found in the condo apartments.
