In the heart of Las Terrenas, a sanctuary of nature next to the secluded Playa Bonita, delivering unmatched luxury. This magnificent new beachfront property allows you to fully appreciate nature while still being surrounded by many modern amenities and perks, such as a beach club, sports area, and restaurant with great beach views. A one-of-a-kind complex on the seashore with extraordinary views and a sensory-friendly architecture. This project consists of 435 exquisite apartments and an exclusive villa, all of which are linked together by a 105,000 square foot watercourse separated into four big natural pools that flow to the sea. Through the use of stone, biophilic, and textured materials, the buildings are integrated with the colors and sounds of nature, allowing the plants to thrive.
