### Cap Cana, Dominican Republic

Exclusive Gated Residential Community In Cap Cana

This spectacular project, where the architecture moves your senses, was inspired by the blue landscapes offered by the most paradisiacal islands of the Dominican sea. On a 9,535 m2 plot, 80 apartments are distributed in four modules designed with aesthetics, comfort, functionality, and luxury in mind, and are linked by a central corridor dedicated to amenities and recreation areas. Each building's central entrance provides easy access and a short distance from the parking lot, as well as natural light, evaluated cross ventilation, and common service areas. The entrance hall, swimming pool with covered area, outdoor cinema, games room, indoor and outdoor gym, central walkway, spa, barbecues, pizza oven, pool bar, waiting room, playground, landscaping, and green areas are all part of the dazzling design. APARTMENT FEATURES: Apartments with 1 to 3 bedrooms with 1 to 4 bathrooms with or without a guest bathroom. Central air conditioner. Equipped kitchen. First class finishes. Installations for home automation systems. Lockers for each apartment. Optional interior design. As an owner, enjoy all that the gated resort community of Cap Cana has to offer such as white sand beaches, world-renowned Punta Espada Golf Course, restaurants, spas, hotels, state-of-the-art equestrian facilities, ecological parks, and much more.
