Brand new 3 Bedroom Condo in a Gated Community
This brand new 3 bedroom condo in a gated community is only steps away from the beach. The condo complex was finished being built in late 2022, it has a nice modern design with many balconies for your viewing pleasure. The many windows and sliding doors offer fresh ocean breezes and natural sunlight. All of the materials and doors are of higher quality, the counter tops are all granite as is the kitchen island. This is also one of the only buildings on the north coast that has an elevator, making your stay that much more comfortable. This condo is one of the most pleasant and tranquil communities on the north coast with absolutely beautiful surroundings. This would make for a perfect spot for a snowbird couple looking to get away for a few months of the year, and rent it out to earn some income while you're not using it. It has the fresh feel to it and is only a three minute drive to the center of Sosua, or a ten minute drive to Cabarete. In either town you will find many restaurants, shops, lounges, pharmacies etc... and also many beaches. Please fill out the request box for further information and how to book a viewing to come see it for yourself.
