Condominium. \$ 399,000

### Las Terrenas, Dominican Republic

Caribbean Dream Beachside Penthouse in Las Terrenas

Samana Island's Las Terrenas is a unique site that offers the chance to enjoy the delightful Caribbean beach lifestyle in front of the spectacular Atlantic Ocean. By blending opulence with nature and placing the treasures of the local environment at their feet, this project provides its residents a tranquil existence in direct contact and absolute communion with ecology. This magnificent building is located in a little seaside town where you can zipline in Samana, go horseback riding to the famous El Limon waterfall, kitesurf, dive in crystal-clear waters, or just wander along attractive trails. A blend of noble materials that evoke a sense of warmth is enjoyed in the perfectly finished interiors, which reflect a new modernism and uncomplicated lines. Wood and marble finishes stand out among these noble materials. Every aspect of the design, from the aesthetic to the practical, has been meticulously examined and melds with the surrounding environment.
