

Cabarete, Dominican Republic

Build 8-16 Apartments on this 2000 sq.m Lot right near the Beach!
2000 square meters of land available for sale, absolutely perfect for anyone ready to make a great investment into an apartment complex or a small gated community of 3-4 villas. The beach is literally a 20 second walk. This part of Cabarete East is up and coming?and fast! There is big development going on around and this is less than a minute drive off of the highway towards the beach, making it very accessible and also peaceful and quiet. There are paved roads, water and electricity, condos and villas nearby?as well as a couple restaurants and lounges, and shops. It is less than a 5 minute drive from the Center of Cabarete, the kite surfing capital of the Caribbean. You could build 8-16 units, in two complexes in either one phase or into two. If you?re ready to make some serious return on your money, please fill out the request box so we can help crunch some numbers to show you just how profitable a spot like this is? and the timing couldn?t be better. The north coast has been selling out fast since 2022 so make a move quick on this near beach front plot of land!
