

## Sosua, Dominican Republic

Newly Renovated Penthouse for sale, with gorgeous garden & Ocean views

This condominium offers stunning ocean and garden views, accompanied by a constant refreshing breeze. You won't have to worry about high electric bills thanks to the natural ventilation from the wide-open floor plan, despite the fact that each room is equipped with air conditioning. The generously furnished condo features a spacious layout with a captivating ocean view, ideal for entertaining guests or indulging in personal relaxation. Its convenient location is super close proximity to the four different beaches Sosua has to offer, as well as shopping, and an array of restaurants. Embrace the welcoming expat community and take advantage of the safety and beauty of this well-established complex. In the middle of this complex is a large pool with ample seating room for relaxing and even tables for visiting. Your feet won't get hot walking around because the pool deck is made of the beautiful, natural Dominican stone, Coralina. Expats love to come here during the day and make new friends. Priced attractively, this opportunity won't be available for long. Secure your own slice of paradise and commence living the good life! With everything in place, all you need to do is pack your clothes ? it's move-in ready! And to top it off, you have private access to the rooftop with unobstructed views, truly mesmerizing?you can even build your terrace just like the neighbours! Please fill out the request box for further information and on how to book a viewing!
