Single level condo

Another first time homeowner or downsize opportunity! This is a lovely two bedroom, single level condo quietly tucked away at the top of Longford Hill conveniently located near public transportation and Belmont Golf Course. A warm and cozy kitchen offers plenty of storage and prep space and flows seamlessly into a separate dining room. From the dining room step down into an enclosed porch which serves as a neat little home office. The living room is a comfortable size and lends itself nicely to the gathering of family and friends. The bathroom has been upgraded with new tile and converted from a tub to a walk-in shower. There are two exterior storage spaces and convenient access to a very pleasant common garden area. Must be seen to be fully appreciated.
