

Cabrera, Dominican Republic

for sale

****Countryside villa in Cabrera for sale**** This two floors villa is located in a rural area on top of the cliffs of Cabrera with a fantastic ocean view from the terrace on the first floor and is really suitable for people who love nature and tranquility. The center of Cabrera is only 3km (1,9 miles) from the house and there you will find supermarkets, small shops, banks, restaurants and bars. The property consists of a main house on the ground floor living space with open kitchen and small bathroom. On the first floor there is a master bedroom and bathroom with shower and Jacuzzi. The bedroom opens onto a lovely covered terrace with stunning views of the ocean. Besides the main house is a building with two studios, each with living room, kitchen and bathroom. One of the studios has a terrace overlooking the beautiful landscaped garden. In the beautiful landscaped tropical garden with an indoor Jacuzzi, building for the gardener, a large covered area for special events and garage for two cars. All utilities are present, such as electricity, water (drilling), internet, etc ... Cabrera is a town that is expanding strongly in the recent years because more and more foreigners come to live here for the tranquility that reigns in the city and almost 0% crime. It is also near the world famous golf course of Playa Grande which offers also a big beautiful sandy beach. The capital Santo Domingo and his international airport are reachable from here in less than 2 hours by car via the new constructed highway.
