

## Sosua, Dominican Republic

For sale

**\*\*Lots for sale in a Sosua gated community\*\***These prime [Sosua](../info-coldwell-banker-sosua-24.html "Sosua Real estate") real estate lots have been carefully designed so that each property enjoys a spectacular panorama view of the mountains and valleys and each lot ranges from over one and a half acres to nearly four acres providing plenty of space for a generously proportioned villa and still have more than enough room for a tropical garden. The near perfect climate in the [Dominican Republic](../info-coldwell-banker-Dominican-Republic-23.html "Information about the Dominican Republic") combines just the right amount of sunshine and tropical rain to sustain year round growth of every imaginable type of vegetation including wild mangoes, citrus fruits, banana trees, and exotic flora. There are many residential communities in Sosua but none of them come close to the standards offered within this exclusive residential development. This property part of a beautiful 200-acre ranch converted into Caribbean country estates. Nature lovers, sports and riding enthusiasts, and serious gardeners can enjoy the best of both worlds, life in an unspoiled environment, far away from noise of down town but at the same time just minutes away from the beach. This community has a long established reputation for quality living and lifestyle. A well-established owners association assures the community's continued care and direction for the future. Please complete the request form for more information about these lots and about Dominican Republic real estate in general.
