

V-2041, VILLA IN SOSUA COMMUNITY FOR SALE

Single Family Detached. \$
345,000

Sosua, Dominican Republic

Pre Construction

PRE CONSTRUCTION Villa in Sosua community for sale. These beautifully compact and optimally designed villas on the ocean coast are now available for construction. The total area is 186 square meters. There are four comfortable bedrooms with bathrooms, a spacious living room, joined with a kitchen and a dining room. The house project includes three separated buildings. The main one has a spacious living room, joined with a kitchen and a dining room (65 square meters), and a master bedroom with a wardrobe room and a bathroom. Inside the building, which is on the left from the outdoor pool, you will find two bedrooms with a common bathroom. The building on the right from the pool consists of the forth bedroom, an open barbeque zone with a bar counter and a guest bathroom. Such the layout allows you to reach the best use of the land and provides noise insulation between bedrooms and a living room. The glass walls of all rooms let you enjoy lovely views even while dining or resting. The pool size is 28 sq. meters and it has steps for comfortable lowering into the water. The land lot has a green lawn and trees. Here you can place a children
