

Sosua, Dominican Republic

for sale

****Sosua house for sale.**** This is a beautiful unique, semi-detached villa in the shape of a horseshoe that is and offers complete privacy and a great terrace design with entrances to all bedrooms directly from the covered courtyard area. This is a spacious home with outstanding kitchen design, and open concept living. The villa offers a very comfortable living space with all main living areas including the three bedrooms overlooking the pool area. This particular style of villa is one of the most popular for vacation renters and can generate a very good income source. This development is known as one of the premier gated developments on the North Coast of the Dominican Republic and offers a proven track record of construction, security, and villa management. The project began 15 years ago and currently encompasses 130 villas over Phases 1 through 6. This property is owned and operated by an experienced Norwegian management group and offers the highest quality of construction. Each villa is built to executive quality standards. There is an on-site rental management program, thereby ensuring villa owners can enjoy positive cash flow from their investment. Here you will find an all-inclusive standard not found anywhere else. The developers are just starting phase 7 which will include amenities such as tennis courts, mini golf, children
