

Puerto Plata, Dominican Republic

Land in Puerto Plata with Views

Land for sale in Puerto Plata. This property of 15.75 acres is located on the mountain side on the west side of Puerto Plata, only a 7-8 minute drive up. It is on the highest point with magnificent ocean and city views and direct access to the main road. The property offers beautiful views of the coastline as far as the eye can see. A number of flat areas on the mountain slopes are well suited for the construction of residential buildings or farm land or even build a panoramic restaurant. A topographic map of the property is available upon request for serious candidate buyers. The land is bordered above and below by the main road and given the choice for construction of at least two separate entrances. There are also two natural springs which provide year-round water and the entire property is completely fenced. For more information about this property and the real estate in the Dominican Republic in general, please fill out the application form.
