

Puerto Plata, Dominican Republic

This beautiful villa is nestled in the mountains of Puerto Plata. Nature is the center of this piece of paradise in the Caribbean, where the fresh mountain air, the sound of birds, and breathtaking ocean/mountain views will put you directly in touch with Mother Nature. Two-level villa, with open bright spaces offers you a sense of outdoor living. It has 5 bedrooms, with a private bathroom each and walk-in closet. The house can be used as two separate living quarters, each level has its private entrance, both equipped with everything needed for independent living. As you enter this beautiful villa, the first thing you notice is the glass wall overlooking the Atlantic ocean, green hills, and Puerto Plata town. Sliding doors lead to an enormous terrace-94mt2, great for entertaining friends & family. Kitchen, dining room, and living room in one spacious area, an open living concept allows you to enjoy beautiful views from anywhere of common the areas. Modern kitchen, made of mahogany and granite. Wooden ceilings give a special touch and serve as a reminder of the natural surroundings. As you cross the automatic gate to the house, immediately you feel transported to a different dimension where nature, tranquility, and YOU blend in perfect harmony. To access the lower level of this home is either from its interior staircase or from the exterior. There are 3 bedrooms and 2 and a half bathrooms. Also, there is a beautiful kitchen, dining, and living area with access to a big terrace with the same views as the upper floor. If you want to buy extra land, there are plenty of opportunities to buy extra plots surrounding the area of this impressive villa. If you are searching for a peaceful place with one of the most stunning views on the Northcoast, you must take a look at this villa.
