

A-136, PRECONSTRUCTION BEACH FRONT CONDOS IN SOSUA

Condominium. \$ 309,000

Sosua, Dominican Republic

for sale

****Preconstruction beach front condos in Sosua.**** This is one of the largest, most exclusive and exotic condominium developments on the north coast of the Dominican Republic, these condos for sale in Sosua offer many attractive features for a pleasant and comfortable life style, surrounded by natural beauty and facing the warm waters of the Atlantic Ocean across from Sosua Bay. These condos in Sosua have been designed to offer all the amenities one could wish for, in addition to their perfect location. They boast wonderful Victorian-style architecture on the outside, gardens and palm trees, and an innovative modern style combined with luxurious details on the inside. The condos consist of two spacious bedrooms with en-suite bathrooms, including Jacuzzis, and lovely details offer the utmost comfort, in addition to a wonderful view of the warm waters of the Atlantic Ocean from their balconies. All the interiors have been decorated to create a feeling of harmony and peace that matches this heavenly location, by using delicate and soft colors in the private areas, such as bathrooms and bedrooms, and warm colors in the social areas, such as the living-room, the dining-room/kitchen, etc., while glamorous and environmentally beautiful details contrast with a décor that matches the setting and adds intimate and elegant touches. The modern kitchen becomes the focal point of the whole apartment. The stainless steel stove, dishwasher, refrigerator, range hood have been specially chosen to ensure practicality and quality. The living-room, kitchen/breakfast area, the balconies and terraces maintain unity and variety in the large and spacious areas. This is the only opportunity to own a luxurious condo located directly in front of a beautiful secluded beach and one of the largest coral reefs in the area. The two bedroom condos start at US\$309,000 and go up to US\$750,000. Financing available!
