

## Cabarete, Dominican Republic

\*\*Land for sale in Cabarete beach front community\*\* Real estate in Dominican Republic is now offering this amazing land for sale to build your dream home. This development is considered by many to be one of the most beautiful and picturesque on the Cabarete beach. Each one of the lots will guarantee your privacy as the minimum lot size is around 800 m2. Inside the complex there are villas and a small condo complex plus a restaurant with bar opened from the morning until the night. The community is located between Sosua and Cabarete, just ten minutes far from the International airport of Puerto Plata with cheap and direct flights from USA and Europe. The beach just in front of the community is one of the most beautiful beaches in Dominican Republic and it will be just few steps from your home. This community offers a uniquely tranquil setting as you want to have your permanent home here or just to spend here a part of the year or your holidays and rent out the property when you are not here, so if you are seeking the perfect place to have our second or first home in a Caribbean island this is the place for you. The Community Management will take care of everything necessary for the well-being of its resident and a carefree lifestyle: around the clock security as well as electricity and water service, cable TV, High Speed Internet and garbage collection. Just imagine yourself in your new home hearing the sound of ocean or swim in the ocean that it's only few steps from your home, having a BBQ in your garden, and that will happen during all the year as summer here is all around the year. Forget the snow and jump in the Caribbean! For more information about this or other real estate property in the Dominican Republic or to know more about real estate in Dominican Republic, please complete the Request Box.
