

Cabarete, Dominican Republic

Pre construction villa for sale

****Beachfront villa for sale in Cabarete**** If you want to own a beach front villa in Dominican Republic this is the right property for you. It's a pre-construction villamade to your liking! This home will be designed especially for you using only top quality materials and designed to give you the million dollar views you always dream about it. You need only to choose your lot then decide on the design and size, according to your wishes. This amazing price of U\$795,000 is for a villa with 350m2 of living space and approx 1000 m2 of land , but you can choose to build a bigger house and you can choose a bigger lot. You will enjoy living just in front of the beach, hearing the sound of the ocean and the view of the wonderful white sandy beach with palm trees swaying in the warm gentle breeze. There are different designs and type of villas you can choose and you can add your own personal touches to make this home exactly how you want it. This will be your own ocean front villa in the Dominican Republic home! You will have a fantastic infinity pool surrounded by a terrace and a great barbeque area .You will have the most beautiful views of the beach from your 2 glorious luxury master suites on the second floor with a balcony in front and also from your living area downstairs and of course from your infinity pool you will have the beach views. It's a very nice place to enjoy the Caribbean life style! Each one of these lots will guarantee your privacy. The place offers a uniquely tranquil setting as your vacation destination or home life. If you are seeking the perfect place to have our second or first home in a Caribbean island this is the place for you.
