

## Puerto Plata, Dominican Republic

**\*\*Playa Dorada apartment for sale\*\*** This is a rare opportunity to own an apartment in the famous beach front resort of Playa Dorada with its white sands, turquoise, ocean, golf course and mountain views. What more could you ask for in a Caribbean home, except maybe shops, restaurants, cinema, horse drawn carriages, palm trees, casinos, and of course sunshine. These are all available in the secure community of Playa Dorada. This apartment has been refurbished to the highest standard. An imposing entrance opens to reveal a wide hallway. All the woodwork is Mahogany with pale fawn tiles and white walls. The main living area is spacious and comfortable for long vacations, just the place to gain a beautiful Caribbean suntan. The Master suite is to the right, with frosted internal glass windows letting in maximum light from the lounge and terrace beyond. The room has a queen bed with pretty soft green and white covers and cushions trimmed with cream lace. A flat screen wall mounted television and white leather seating. The Master Bath is all tiled with glass sliding shower doors a white toilet, mahogany set of draws with a marble top and a very modern glass bowl and vanity unit. Back into the main living area and the kitchen with all its gleaming equipment and large refrigerator/freezer unit with drinks dispenser, full oven and microwave and every convenience to make eating at home a pleasure. The dining table is set to the left and to the right the room opens up in a large L shaped lounge, with A/C and comfortable lighter brown cushions set into dark brown frames. With a coffee table, book shelves and a large flat screen TV. Light streams in from the many windows and the cool cream and olive see through curtains dance in the breeze coming in from the ocean. The Terrace is long and to the left there are open fields and trees and to the right down the path and onto the beach. Here the sand is very pale and the ocean looks turquoise. The blue sun-loungers and umbrellas look very inviting and there is a beach restaurant and bar should you prefer to eat out. In this apartment there is a copy of a famous Salvador Dali picture, which always reminds me of a woman throwing all her cares away in the gay and abandoned way we do when we are on holiday! Buy this lovely apartment and this is the way you will feel from the moment you step through the door!
