

### Curacao, Blue Bay, Curacao

Blue Bay Resort with beach and golf course!!  
This large new home is located approximately in the middle of the resort. Near the hotel. The home has 4 bedrooms and 4 adjoining bathrooms. Two rooms have a walk-in closet. As soon as you enter the front door, you enter into a large open floorplan with casual living/dining and kitchen and a large balcony behind the home. There is a small family/game room for the children. Built with the tropical wind in mind, this home is nice and cool. There is a guestroom/office space upstairs. The outside wall and garden of this home still need to be finished. It's a great investment. One of Curacao's finest resorts.
